

## Objective

I am interested in working in an environment that allows me to further my experience as art director and interactive designer. As a passionate individual for new media and technology I am looking to be part of a team where I am challenged to innovate, design, and create out of the box solutions to communicate the client's message.

## Experience

**ART DIRECTOR, INTERACTIVE DESIGN MANAGER** – MyPoints, Inc. San Francisco, CA,  
June, 2009 - Present

Duties: Manage and design strategic creative projects. Interact and conceptualize with business owners to develop "definition documents" that provide direction of campaign communications which meet stated marketing objectives. Oversee the creative resources, consisting of graphic designers and copywriters. Facilitate and oversee the aesthetic and content objectives for assigned web, email and other ad campaign projects. Responsible for scoping projects, communicating with idea originators and development team, assigning and managing these projects from inception through completion.
